### Service Order

Below is detailed information for the individual service order you have selected.

#### Summary

The summary provides an overview of information related to the selected service order number.

Service Order No.	030321-0852	Customer Name	Demonstration Customer
PO Number	200303974	Contract No.	
Site	SZ MULTIPURPOSE (8251013)	System	Mechanical
Status	Open	Open Date	4/23/03
Call Type	Preventive	Closed Date	
Request Type	fax		
Problem Type	Repair or Replace Parts		
Call Priority	Next Scheduled Visit		

#### Detail

The problem and resolution area provides a description of the requested service and what action has been taken to resolve the issue.

Problem Description REPLACE SCREENS FOR CIRCULATION PUMP STRAINER  
Resolution

#### Further Information

Use the following links to get further equipment, call, or appointment information.

## TSP Contracts

The TSP contracts function provides online access to all service contract information for the contracts and sites for which you are authorized. This overview screen informs you, in an aggregated form (overall and per site), of the number and value of existing contracts. Special attention should be given to expiring contracts. Clicking any of the links provides more detailed information for that entry.

**Summary**  
The summary provides an overview of all service activity for all sites for which you are authorized grouped by status and system type.
